Care Instruction **for your Panini Set**

We would like you to enjoy your rochini set for the longest possible time and experience unforgettable moments with it. For this reason, we request that you heed the following recommendations.

-  Wipe the wooden plank by hand, using a moist cloth, and then leave it to air-dry in an upright position. Never place it in a dishwasher! Never let the wooden plank remain lying in water!
-  The plank can be re-oiled if it becomes stained. For this, use oils such as flaxseed oil, poppy-seed oil or walnut oil.
-  The white Corian insert is dishwasher-safe.
-  Clean the bread knife by hand and never place it in the dishwasher. Never leave the bread knife lying in water!
-  The bread knife's handle is made of tulipwood and can be re-oiled with extra virgin olive oil.
-  Please note that we do not recommend using the rochini products in the microwave or in the oven.
-  If you have any questions, please feel free to contact us anytime by e-mail: support@rochini.at

...we now wish you **unforgettably enjoyable** moments with your exclusive **rochini set**.
