Care Instruction for your Steak Set

We would like you to enjoy your rochini set for the longest possible time and experience unforgettable moments with it. For this reason, we request that you heed the following recommendations.

-  Wipe the wooden plank by hand, using a moist cloth, and then leave it to air-dry in an upright position. Never place it in a dishwasher. Never leave the wooden plank lying in water.
-  The plank can be re-oiled if it becomes stained. For this, use oils such as flaxseed oil, poppy-seed oil or walnut oil.
-  The white Corian insert is dishwasher-safe.
-  Clean the steak knives by hand and never place them in a dishwasher. Never leave the steak knives lying in water!
-  The steak knife's handle is made of tulipwood and can be re-oiled with extra virgin olive oil.
-  Please note that we do not recommend using the rochini products in the microwave or in the oven.
-  If you have any questions, please feel free to contact us anytime by e-mail: support@rochini.at

...we now wish you **unforgettably enjoyable** moments with your exclusive **rochini set**.
